Teleios Announces Addition of Talbot Hospice to Network

Hendersonville, NC January 18, 2024: Teleios Collaborative Network (TCN) announced the addition of Talbot Hospice to its clinically integrated network. Talbot Hospice is located on Maryland's Eastern Shore in the community of Easton, MD. Founded in 1981, Talbot Hospice provides hospice services, palliative care, and grief support services for those residing in Talbot County. Hospice services are provided wherever people call home—private residences, nursing or assisted living facilities, and The Eleanor A. Koons Hospice House.

Molly Kirsch, Executive Director, Talbot Hospice, said “Our team at Talbot Hospice is so excited to be welcomed as a new member with TCN. Embarking on this journey with TCN is not just a step forward for us. It’s a leap into a bright future where innovation, collaboration, and the overall impact of the work we do converge.

“This is a great way to start 2024 by adding a high-quality hospice to our TCN Network,” said Chris Comeaux, Teleios Collaborative Network President/CEO. “There are so many challenges headed our way in hospice, and our TCN Network believes that we are better together than we are individually. We look forward to working with the Talbot Hospice team to ensure Care As It Should

Be, TCN's mission, is improving daily because this is what the future should be about in healthcare for the communities where our members serve. We look forward to doing that together.”

Teleios Collaborative Network is a nonprofit organization that has created a clinically integrated network that shares expert leadership, industry best practices, and resources with its member organizations. The goal of TCN's collaboration is to harness the best of each hospice and enable the network to care for the patients and families in each community served. There are over 3,500 hospice patients and over 4,300 palliative patients in its network. TCN was founded in 2017 by Four Seasons and Carolina Caring and co-founded by AMOREM and Mountain Valley organizations. TCN is currently comprised of 15 member organizations across 10 states.
