

Carla Davis

Senior Vice President – Hospice Operations

Carla Davis joined LHC Group in 2021 and serves as the company's senior vice president of hospice operations – leading the hospice and palliative care service lines. Ms. Davis has extensive industry knowledge gained over 30 years of experience – including 22 years in executive leadership roles. Her diverse compliance, operational, and sales experience includes positions as chief executive officer and chief operating officer for VistaCare, and vice president of sales and marketing at Heartland Home Health Care and Hospice, a division of HCR ManorCare. Her compliance background includes work with one of the country's largest Medicare administrative contractors, Palmetto GBA, in educating and regulating hospice providers. Her expertise and experience also include both same-store and organic growth. She has helped initiate and execute hundreds of hospital and hospice partnerships across the country. Ms. Davis serves as a board member for the National Hospice and Palliative Care Organization and the Hospice Advocacy Network.
