Mike Campbell BIO

Mike began his career in Public Service after graduating from high school in 2003. He began as a volunteer, which quickly transitioned to a career for him. Shortly after getting into EMS, Mike grew a passion for education and training, and became a NC OEMS certified Paramedic Instructor. He spent many years working for Mecklenburg EMS Agency (MEDIC), before transitioning to Stanly County EMS. In 2019, Mike played a key role in the development and implementation of the SCEMS Community Paramedic Division. During his tenure at Stanly County EMS, Mike has served in multiple roles including paramedic, Community Paramedic, EMS Field Training Officer, and EMS Lieutenant. Currently Mike serves the Agency as the Training Division Chief and is also the Co-Chairman of the North Carolina Community Paramedic Coalition. Mike also serves as a part time instructor providing EMS and Community Paramedic education in North Carolina.
