Teleios Recognized as One of The Best Places to Work in Healthcare in 2023

Hendersonville, NC May 16, 2023: Teleios Collaborative Network (TCN) has been selected by Modern Healthcare as one of the 2023 Best Places to Work in Healthcare. The complete list of this year's winners, in alphabetical order, is available at [ModernHealthcare.com/bestplaceslist](https://www.modernhealthcare.com/bestplaceslist). Modern Healthcare will publish a special supplement featuring a ranked list of all the winners along with the October 2, 2023 issue of MH magazine.

“An uncertain economy, staffing shortages and increasing demands for flexibility and remote work opportunities are forcing every business in the industry to focus on attracting and retaining talent in unprecedented ways,” said Dan Peres, President of Modern Healthcare. “The 2023 Best Places to Work winners proved the value of understanding what employees want — and need — today. The healthcare industry is going through a period of extraordinary change. Having the right people in place is more critical than ever, and the winning workplaces understand that taking care of employees is central to business success.”

Chris Comeaux, President and CEO of Teleios Collaborative Network, said of the win, “What an incredible honor for our Teleios team to be selected to Modern Healthcare’s Best Places to Work

for the 3rd year in a row. Our team is working hard to make Teleios one of the best places any of us has worked before, this is a great affirmation we are making great progress towards that vision.”

This award program identifies and recognizes outstanding employers in the healthcare industry nationwide. Modern Healthcare partners with Workforce Research Group on the assessment process, which includes an extensive employee survey.

TCN has over 3,500 hospice and 6,000 palliative care patients in its network.

TCN is a nonprofit organization that has created a Clinically Integrated Network that shares expert leadership, industry best practices, and resources with its member organizations, allowing community-based, nonprofit hospice and serious illness agencies to continue their work of providing compassionate care for those facing serious illness or the end of life. TCN was founded in 2017 by Four Seasons and Carolina Caring and co-founded by AMOREM and Mountain Valley organizations. TCN is currently comprised of twelve member organizations and serves in North Carolina, Virginia, Idaho, Ohio, West Virginia, Maryland, Kansas and Utah.
