## Teleios Recognized As One of The Best Places to Work in Healthcare in 2024

**Hendersonville, NC May 14, 2024:** Teleios Collaborative Network (TCN) has been selected by Modern Healthcare as one of the 2024 Best Places to Work in Healthcare. The complete list of this year's winners, in alphabetical order, is available at [ModernHealthcare.com/BestPlacesList](https://ModernHealthcare.com/BestPlacesList). Modern Healthcare will publish a special supplement featuring a ranked list of all the winners along with the October 14, 2024, issue of MH Magazine.

"With all the economic uncertainty, staffing challenges, and folks wanting more flexible work setups, every company has to get clever about how they attract and hold onto talent," noted Dan Peres, President of Modern Healthcare. "The winners of the 2024 Best Places to Work awards really get it. They show us how vital it is to understand what employees want and need right now. With healthcare shifting so much, finding the right people is a top priority, and the winners know that keeping their team happy is the key to business success."

Chris Comeaux, President and CEO of Teleios Collaborative Network, said of the honor "Our Teleios Team and I are so honored to be selected for the 4th year in a row to be among the elite healthcare organizations in the U.S. Being acknowledged as Best Places to Work is a great affirmation of the great culture we continue to cultivate and build."

This award program identifies and recognizes outstanding employers in the healthcare industry nationwide. Modern Healthcare partners with Workforce Research Group on the assessment process, which includes an extensive employee survey.

Teleios Collaborative Network is a nonprofit organization that has created a clinically integrated network that shares expert leadership, industry best practices, and resources with its member organizations. The goal of TCN's collaboration is to harness the best of each hospice and enable the network to care for the patients and families in each community served. There are over 3,500 hospice patients and over 4,300 palliative patients in its network. TCN was founded in 2017 by Four Seasons and Carolina Caring and co-founded by AMOREM and Mountain Valley organizations. TCN is currently comprised of fifteen member organizations across ten states.

More information about TCN can be found at [teleioscn.org](https://teleioscn.org).
