## Teleios Recognized As One of The Best Places to Work in Healthcare in 2025

**Hendersonville, NC May 12, 2025:** Teleios Collaborative Network (TCN) has been selected by Modern Healthcare as one of the 2025 Best Places to Work in Healthcare. The complete list of this year's winners, in alphabetical order, is available at [ModernHealthcare.com/BestPlacesList](https://www.modernhealthcare.com/bestplaceslist). Modern Healthcare will publish a special supplement featuring a ranked list of all the winners along with the October 13, 2025, issue of MH Magazine.

“Being recognized as a 2025 *Best Place to Work in Healthcare* is a powerful testament to how these organizations value their people,” said Dan Peres, President of *Modern Healthcare*. “In a time of constant change and challenge, this year's winners have shown a deep commitment to creating environments where employees feel supported, heard, and inspired to do their best work. That kind of culture doesn't happen by accident — it's intentional, and it's worth celebrating.”

Chris Comeaux, President and CEO of Teleios Collaborative Network, said of the honor “Our team feels so fortunate to receive this honor for the fifth year in a row alongside other incredible healthcare organizations in the U.S. This recognition is a testament to the vibrant culture and intentional connectedness we strive to create at Teleios.”

This award program identifies and recognizes outstanding employers in the healthcare industry nationwide. Modern Healthcare partners with Workforce Research Group on the assessment process, which includes an extensive employee survey.

Teleios Collaborative Network is a nonprofit organization that has created a clinically integrated network that shares expert leadership, industry best practices, and resources with its member organizations. The goal of TCN's collaboration is to harness the best of each hospice and enable the network to care for the patients and families in each community served. Its network has over 3,500 hospice patients and over 4,300 palliative patients. TCN was founded in 2017 by Four Seasons and Carolina Caring, and co-founded by AMOREM and Mountain Valley organizations. TCN is currently comprised of twenty member organizations across twelve states.

More information about TCN can be found at [teleioscn.org](https://teleioscn.org).
