Quint Studer

Short Introduction/Bio

Quint Studer is a lifelong student and teacher of leadership. He is the author of many books, serves on numerous healthcare boards, and is a frequent speaker, workshop facilitator, and mentor to individuals and organizations.

In 2021, he released *The Calling: Why Healthcare Is So Special*. His new book, *Rewiring Excellence: Hardwired to Rewired*, provides tools and techniques that are doable to help employees and physicians experience joy in their work.

The Human Margin: Building the Foundations of Trust, written in partnership with Katherine A. Meese, PhD, is due for publication in March 2024 by Health Administration Press (ACHE).

Recently, Quint founded Healthcare Plus Solutions Group (HPSG) along with longtime colleague Dan Collard. HPSG specializes in helping healthcare organizations to diagnose and treat their most urgent pain points in order to achieve and sustain results.

Full Bio

Quint Studer is a lifelong student of leadership. He has a gift for translating complex strategies into doable behaviors that allow organizations to achieve long-term success.

Quint is the author of 15 books, beginning with his first title, BusinessWeek bestseller *Hardwiring Excellence*. While most of his books are geared to those working in healthcare, two of his general business books—*Results That Last* and *The Busy Leader's Handbook*—became Wall Street Journal bestsellers. In 2021, he released *The Calling: Why Healthcare Is So Special*, which is aimed at helping healthcare professionals keep their sense of passion and purpose high. In 2023, the book *Sundays with Quint*, a collection of his most popular leadership columns, was released.

His new book, *Rewiring Excellence: Hardwired to Rewired*, provides tools and techniques that are doable and that help employees and physicians experience joy in their work as well as enhance patients' and families' healthcare experiences. *The Human Margin: Building the Foundations of Trust*, written in

partnership with Katherine A. Meese, PhD, is due for publication in March 2024 by Health Administration Press (ACHE).

In his most recent venture to serve healthcare, he founded Healthcare Plus Solutions Group (HPSG), along with longtime colleague Dan Collard. The mission of the organization is to have a positive impact on those who receive care and those who provide care. HPSG specializes in helping healthcare organizations to diagnose and treat their most urgent pain points in order to achieve and sustain results.

About HPSG

Healthcare Plus Solutions Group (HPSG) was founded by Quint Studer and Dan Collard in 2022 in Pensacola, Florida. Powered by a team of healthcare industry and talent management experts, HPSG specializes in delivering Precision Leader Development™ solutions to healthcare organizations across the continuum of care and their teams. With tightly customized services that look at the whole health of an organization, HPSG works closely with its partners to diagnose their most urgent pain points, design smart, collaborative solutions, and create a plan to execute in a way that delivers measurable results. With partnerships across the country, HPSG's primary mission is to have a positive impact on those that receive care and those that provide care.
