Teleios Announces Addition of Talbot Hospice to Network

Hendersonville, NC February 22, 2024: Teleios Collaborative Network (TCN)

announced the addition of Talbot Hospice to its clinically integrated network. Talbot Hospice is located on Maryland's Eastern Shore in the community of Easton, MD. Founded in 1981, Talbot Hospice provides hospice services, palliative care, and grief support services for those residing in Talbot County. Hospice services are provided wherever people call home—private residences, nursing or assisted living facilities, and The Eleanor A. Koons Hospice House.

Molly Kirsch, Executive Director, Talbot Hospice, said “Our team at Talbot Hospice is so excited to be welcomed as a new member with TCN. Embarking on this journey with TCN is not just a step forward for us. It’s a leap into a bright future where innovation, collaboration, and the overall impact of the work we do converge.”

“We are thrilled to add Talbot Hospice to the TCN Network,” said Chris Comeaux, Teleios Collaborative Network President/CEO. “Talbot has a great reputation serving its community. We

look forward to working together to further enhance the mission of the network, Care As It Should Be.”

Teleios Collaborative Network is a nonprofit organization that has created a clinically integrated network that shares expert leadership, industry best practices, and resources with its member organizations. The goal of TCN’s collaboration is to harness the best of each hospice and enable the network to care for the patients and families in each community served. There are over 3,500 hospice patients and over 4,300 palliative patients in its network. TCN was founded in 2017 by Four Seasons and Carolina Caring and co-founded by AMOREM and Mountain Valley organizations. TCN is currently comprised of fifteen member organizations across ten states.
