## **Teleios Collaborative Network recognized as one of the Best Places to Work in Healthcare in 2022**

**May 23, 2022**

**Flat Rock, NC** – Teleios Collaborative Network (TCN) has been selected by Modern Healthcare as one of the 2022 Best Places to Work in Healthcare, sponsored by Healthcare Plus Solutions Group. This marks the second consecutive year that TCN has received this honor.

"Once again, we are proud to be named as one of Modern Healthcare's Best Places to work. Creating and maintaining a dynamic culture of shared values, innovation, accountability, and results is challenging in any environment. These past two years have made these efforts even more of a challenge and with challenge comes great opportunity. Across our organization from the Board of Directors, staff, and our TCN Members we strive to have intentional interactions that bring about stellar results." said Chris Comeaux, TCN's President and CEO.

"After the many stressors placed on the healthcare workforce during the pandemic and the resulting Great Resignation, we know those employees are battling burnout, increased work volumes, and their own physical and mental health challenges," said Modern Healthcare Publisher Fawn Lopez. "The organizations that have focused significant resources and energy to support their staff throughout these especially challenging times deserve the loyalty of their teams and the recognition of the entire industry. At Modern Healthcare, we are honored to celebrate the Best Places to Work for demonstrating their commitment to their employees, and the communities they serve, with exemplary people care measures."

This award program identifies and recognizes outstanding employers in the healthcare industry nationwide. Modern Healthcare partners with the Best Companies Group on the assessment process, which includes an extensive employee survey.

Teleios Collaborative Network will find out their ranking on the Best Places list and be celebrated at the 2022 Best Places to Work in Healthcare awards gala taking place on September 29 at the Hilton Nashville Downtown.
